Inventor: Holger Rasmussen
Entitled: *"Web Transfer Mechanism For Flexible
Sheet Dispenser"*
Attorney Docket No.: 00242.81029

Dear Mr. Dexter:

Further to a teleconference that my assistant, Elizabeth Samuels, had yesterday with SPE Rada, and responsive to the Miscellaneous Action mailed April 10, 2001, we are enclosing a copy of the Request for Approval of Drawing Changes filed with our Amendment on January 31, 2001, together with a photocopy of our postcard receipt reflecting the original filing of the Request for Approval of Drawing Changes on January 31, 2001. The original document was apparently misplaced by the USPTO.

We understand from SPE Rada that no further response to the Miscellaneous Action is required. In the event something further is required, please contact the undersigned at the above-indicated telephone number.

Very truly yours,
